

## **Privacy statement**

Bullet d.o.o. respects your privacy and bases your web site on technologies that give us a better and safer online experience. This Privacy Statement refers to the collection and processing of your personal information and the use of cookies on the website [www.bullet.hr](http://www.bullet.hr) (hereinafter: the web site).

By using these web sites, you agree to the manner of collecting and processing the data described in this Statement and to storing and accessing the cookies on your device. This website is enabled by Bullet d.o.o, Gornji put 6, 10090 Zagreb.

### Collection and processing of personal data

In order to maintain the functionality of web pages and provide services that users are looking for, Bullet d.o.o. on this site you can collect and use your personal information. Through internet sites, it is possible, depending on the purpose, to collect your personal information such as: name and surname, email address, home or business address, phone number, date and time of access to the site,

By entering personal data into the fields provided for this purpose, you are given the privilege of using the provided information for the purpose they are given for.

Bullet d.o.o. collects data on your computer. These data can include your IP address, browser type, access time, and website address.

Bullet d.o.o. collects client information and outside this site, based on the questionnaire forms, with the consent of the client and for the purposes specified in these forms. The data collected, as well as the information he has learned about providing services to clients and performing individual customer transactions, Bullet d.o.o. handles the purpose for which they are given, ie for the purpose of using the website and providing the desired services, and to provide you with information about the products or services you can use. Bullet d.o.o. may use the provided information to provide you with a more effective customer service, facilitate the use of your website by removing the need for frequent typing of the same information or for customizing the website for your personal interests.

Bullet d.o.o. does not sell, rent or rent a user list of its pages to third parties. In addition to the obligation to retain confidentiality, Bullet d.o.o. It can share data with trusted partners for specific purposes: creating statistical analysis, providing user support, or similar needs. Any such third party is prohibited from processing your personal data and will be bound to keep the confidentiality of the data.

Hereby Bullet d.o.o. at the same time informs you that you have the right to access all personal data provided, as well as their correction, the right to postpone the prior consent, in whole or in part, as well as the right to oppose the processing of personal data for the purpose of providing information on products or services.

### Security of your personal information

The website [www.bullet.hr](http://www.bullet.hr) protects your personal information against unauthorized access, use or disclosure. Information on computer servers is stored in a controlled, secure environment, protected from unauthorized access, use or disclosure.

#### Access data

If you ask, (1.) we will notify you about your personal data we are processing and the source of this information, (2) we will provide you with an insight into the records of the personal data collection and insights into the personal information contained in the personal data collection that is related to you as well as the transcript of the same information, (3) we will provide you with any excerpts, confirmations or prints of personal data contained in the personal data collection that relate to you with the purpose and legal basis for the collection, processing and use of such data; we will print data on who and for what purposes and on what basis the legal basis for using your personal data and (5) give you the logic of any automatic processing of your personal data. At your request, we will supplement, modify or delete your personal information if the same information is incomplete, inaccurate or not updated and if their processing is not according to legal requirements.

#### International transfer

If this is not apparent from our contractual relationship, we will notify you if your personal information is transferred outside the Republic of Croatia and we warrant that such disclosure will be made only in accordance with applicable law. No matter where you are transferred, your personal information is protected by applicable law.

#### Responsibility

Bullet d.o.o. may process your personal information only in accordance with the Personal Data Protection Act.

#### Data storage

Personal data is kept as long as necessary for the requested service or service for which you have been granted, unless otherwise provided by law (eg in connection with ongoing litigation).

#### Apply cookies

The web pages [www.bullet.hr](http://www.bullet.hr) apply the so-called. cookies - text files that are placed on a user's computer by an internet server that the user uses. Files are generated when a browser on a user's device loads a visited network destination, then sends data to a browser and creates a text file (cookie). The browser retrieves and sends the file to the network destination server (places, pages) when returning the user to it.

Cookies are used to operate all features of web pages and have better user experience, and can be temporary (stored only during web site visits) or permanent (the user's computer remains stored even after a visit).

The third-party cookies [www.bullet.hr](http://www.bullet.hr) are used to obtain statistical information about the visit and the use of our web pages. Data collected includes user IP address, browser data, language, operating system, and other standard data that are collected and analyzed solely in anonymous and mass form.

The Bullet d.o.o. Web site does not contain any cookies that allow you to run programs or set up a virus on your computer.

The [www.bullet.hr](http://www.bullet.hr) pages are served by Google Analytics statistics and you can search for third-party cookies on Google Analytics pages. We may collect information about how users use our web site from time to time using other tools similar to Google Analytics.

The cookies we use with their description:

izjava\_Bullet d.o.o.

## Preventing cookies

If you do not agree to their use, you can easily delete (or prevent) cookies on your computer or mobile device using the browser settings you are using.

For more information on managing cookies, visit the browser pages you are using, or visit [www.allaboutcookies.org](http://www.allaboutcookies.org).

Since the purpose of cookies is to improve and enable the use of our web pages and their processes, keep in mind that by preventing or deleting cookies, you can disable the functionality of these features or cause their different work and appearance in your browser.

## Terms and Conditions

The terms of this Statement of Privacy governs the use of cookies and any data collected during the implementation of the Statement except for third party cookies. Bullet d.o.o. reserves the right to change this Statement and cookie policy at any time to submit new relevant information and to be informed of the ways Bullet d.o.o. it protects your data on your web site, so we recommend periodically checking for updates on this page.
